STAGE 2 - PROGRAM of EVENTS

TUESDAY 16TH APRIL - STAGE 2 OF THE RALLY

DRIVE HOBART TO STRAHAN

Accommodation at STRAHAN VILLAGE for 4 nights

Today's road trip takes about 4.5 hours without stops. Allowing for 2 stops of say half an hour and 2 hours (Wilderness Wall and lunch), the total **travel time** would be approx. **6.5 hours, Hobart to Strahan**. It would be prudent to leave the Casino by 8-45am at the latest, with cars having a full tank of fuel the night before.

We suggest a stop at either **New Norfolk** or **Hamilton** for morning tea, allowing extra time if you wish to explore.

For lunch we suggest a stop at Derwent Bridge, where the stunning sculpture called **The Wall in the Wilderness** is also located (**Entry at own expense**). "The Wall" has been carved from three-metre high wooden panels - mostly huon pine - taking 15 years so far. They tell the story of Tasmanian history in the Central Highlands region, starting with the indigenous people, then pioneering timber harvesters, pastoralists, miners and Hydro workers.

The last section of your journey takes you along winding mountainous sections of road to to Strahan.

You must arrange your own accommodation bookings. See accommodation information on page 6.
