FLIGHTS TO AND FROM TASMANIA

Please make your own travel arrangements to and from the tour start and finish cities.

As Tour Packages include return Spirit of Tasmania transfers for two persons and one vehicle, entrants must organise their own return flights from Melbourne as required.

Please contact us if you do not require return passage via the Spirit of Tasmania and we are more than happy to tailor your package to your specific needs.

INSURANCE

Each vehicle must carry third party insurance, which is normally issued with registration papers. Proof of cover is required to be presented prior to the tour.

Owners of vehicles registered in the state of Queensland will be required to obtain a special extension of their third-party insurance for the period of the event from their third-party insurer.

Travel insurance is highly recommended.

CAR TRANSPORT

If transporting your own car, please make your own transfer arrangements to Melbourne.
